HEALTH SPOTLIGHT: RESET & REJUVENATE

Did you know the average American is exposed to over 700,000 toxins daily?

From processed foods and environmental pollutants to everyday stress, toxins are everywhere—and they can take a toll on your body over time.
That's where a targeted reset comes in.

OrthoMolecular Core Restore is a 7-day program designed to support your body's natural detoxification process. It helps:

- Support liver function (Phase I, II & III detox pathways)
- Eliminate environmental toxins and hormone disruptors
- Promote healthy estrogen metabolism
- Fuel your body with essential micronutrients and clean protein

The result? You feel lighter, clearer, and more energized.
